

# 2017 Livingston County Caregiver Support Groups

Support groups are monthly, confidential meetings where caregivers can share their experiences, connect with others who understand and learn more about Alzheimer's disease and other forms of dementia. Support groups are facilitated by trained volunteers. The meetings are free and no registration is required. A local aide or volunteer may be available to provide respite so you can attend. Call **585-335-4358** or **1-800-272-3900** to find out about free respite services.
